## Tender Invitation for the Installation and Construction of Mwalija Irrigation Scheme

**Welthungerhilfe** (herein referred WHH or Contracting Organization) was established in 1962. It is today one of the largest private organizations working in the area of development cooperation and humanitarian aid in Germany. The organization is non-profit-seeking, non-partisan and non-denominational. Donations from the population at large fund our work in over 40 countries in Africa, Asia and Latin America. In addition, WHH receives grants from the Federal German Government, the European Union, the United Nations and the United States Agency for International Development.

Welthungerhilfe and CURE are currently implementing the Project Sustainable Intensification of Market Oriented Production in Mwalija Smallholder Irrigation Scheme in Chikwawa, as part of the Malawian Government Programme: Support to the implementation of the Agriculture Sector Wide Approach (ASWAp) and the Green Belt Initiative (GBI) component 2b: Development of medium scale irrigation schemes, funded by the European Development Fund, through the Ministry of Finance, Economic Planning and Development (MoFEP&D).

The main objective of the project is to increase agricultural productivity and food security of rural communities through improved access of farmers to irrigated agriculture, while promoting environmental rehabilitation and conservation.

Welthungerhilfe and CURE, are currently seeking a recognized competent Contractor with long-term traceable experience in the field of Solar Powered Irrigation Scheme Installation and Construction, preferable with work experience in Malawi. The contractor will be engaged in the Installation and Construction of the Scheme as per indication given in the Tender Document.
