INVITATION FOR TENDERS TO SUPPLY, DELIVER AND INSTALL SUBMERSIBLE SOLAR PUMPS AND PANELS FOR SOLAR POWERED IRRIGATION SCHEMES UNDER THE MACHINGA CLIMATE PROOFING PROJECT (Re-advertised).

The **Machinga District Council** with funding from the Global Environmental Facility (GEF) and the United Nations Development Programme (UNDP) is implementing a **Climate Proofing Project** which aims at empowering communities with knowledge, tools, capacities and methodologies for the adoption of an ecosystems and community based approach to adaptation and mitigation to climate change. To achieve some of its outcomes, the project is constructing two solar powered irrigation schemes of Ulongwe and Makulukulu that will use ground water. The project therefore invites sealed tenders and bids from reputable and registered companies to supply, deliver and install submersible solar pumps and solar panels for Ulongwe Irrigation Scheme in TA Nyambi and for Makulukulu Irrigation Scheme in TA Chikweo. Bidding is open to eligible contractors who must be registered with National Construction Industrial Council (NCIC) in the **100 million kwacha** or above Civil engineering category for both Lots 1 and 2

BIDDING:

The bidding should be done **per LOT** as per the details below.

Lot NO	Name of District	Name of Irrigation Scheme	Contract Period	Civil Contractor NCIC category
1	Machinga	Ulongwe	60 days	K100 million or above
2	Machinga	Makulukulu	60days	K100 million or above

- The potential bidders are advised to collect Request for Quotations/ bid document which has more details from Machinga District Council during working hours.
- Before bid submission, eligible bidders will be required to participate in mandatory site visit on **7th March, 2018** at their own cost. Starting at Makulukulu at **11:00am**, and at Ulongwe at **13:00pm**. The meeting point will be at Ntaja agriculture offices at **9:30am**. The physical visit to the sites before coming up with the bid will be paramount.
- The bids should be hand delivered to Machinga District Council Offices before or by **23rd March, 2018 at 2:00 PM.**
- Those who already applied are encouraged to reapply.
